

HOW MUCH IS OUTDATED TECHNOLOGY COSTING YOU?

When you hang on to outdated technology, visibility, and productivity—which means you’re also compromising your profitability.

Zebra has the solution to:

- Expand real-time business intelligence for better decision-making
- Increase mobility
- Improve access control
- Strengthen supply chain
- Reduce downtime

GO Zebra.

GO Zebra rewards you for making the smart move to more innovative, feature-rich, best-in-class thermal and card printers. When you trade in your old printer—including competitor’s models—and buy a new Zebra® printer, you earn up to **\$550 cash back** for every qualifying purchase.

GO Zebra Eligibility

- Claims must be submitted within 90 days of the invoice date.
- Any Zebra or competitive thermal barcode or card printer is eligible for the trade-in, but must power up and include the printhead.
- Customers must purchase eligible printers (see chart) from a Zebra PartnersFirst® member.
- GO Zebra is available only to Zebra customers in the continental U.S. (excluding Alaska, Hawaii, and territories) and Canada.
- This offer is not valid when combined with any other offer, promotion or special pricing.
